

Central Board Minutes
Special Meeting, November 5, 1953

Norm Anderson called the meeting to order.

DeForth reported that the committee appointed yesterday to find out the facts of the new Student Union had made up a list of questions. She read the questions and said she will have the answers by Monday, November 9. Burnell asked if there were any more questions that could be added. Anderson suggested that what will be done with the old building be stated specifically.

DeForth said the new coke store in the east wing will be approximately 4800 square feet. The present coke store is 1920 square feet.

Hudson suggested that Central Board members go to houses to answer any questions about the Student Union.

Anderson said that the three consultants, Charles Owen, Frank Noffke, and R. C. Williams, will probably come Tuesday, November 9.

VanMeter said the students won't come to a panel discussion by the consultants at a convo. He suggested that they come to Central Board and that Central Board be held in a place big enough to accomodate as many students as want to come.

Anderson read a letter of resignation from Seldon Beck, Sentinel photographer.

Burnell is checking items on the ASMSU inventory. He's now looking for a lost piano.

Anderson said that if water is found on the golf course we may spend Aber Day fixing it up.

Anderson reported that there's no mention in the minutes of paying \$1.50 every time we use the P.A. system that we bought.

There being no further business, the meeting was adjourned.

Respectively submitted,

Phyllis Kind
ASMSU Secretary
